SIMBOLOS

⊓⊔ = escritura con compás.

∩∪ = escritura sin compás.

Las alteraciones son válidas para la nota afectada, en un mismo índice y durante un compás.
En las secciones marcadas ∩∪, la misma regla es vigente para una pauta; al efecto se han usado barras cuya significación no es rítmica sino ortográfica.

General:

= vibrato lento (amplio).

= vibrato lento que acelera paulatinamente.

= staccato tan rápido como sea posible durante el valor de la nota.

= trémolo con aceleración progresiva.

Clarinete (∩) = vibrato de garganta.

Trombon = staccato y glissando.

Pianoforte ped. = atacar la nota o notas sin pedal y ponerlo en cuanto la resonancia haya alcanzado la dinámica escrita entre paréntesis (efecto de forte-piano).

◒ = tocar sobre el teclado y apagar la sonoridad presionando las cuerdas de las notas afectadas con los dedos de la mano libre, muy cerca del clavijero.

pizz. = tocar directamente sobre las cuerdas.
